Limited Working Proficiency

PROFESSIONAL SUMMARY

Innovative **Front End Developer with 4+ years of experience** in building dynamic and responsive web applications. Expertise in **HTML, CSS, JavaScript, and frameworks like ReactJS, NextJS, and Redux-Toolkit**. Skilled in translating design mockups into high-performance, user-friendly websites. Proven ability to collaborate with cross-functional teams, manage complex projects, and implement cutting-edge technologies. Passionate about learning new tools and dedicated to writing clean, efficient code.

WORK EXPERIENCE

Front-End Developer

LogixSoftware

December 2022 - Present

- Developed responsive and accessible user interfaces using HTML5, CSS3, JavaScript, and Next.js.
- Collaborated with back-end developers and cross-functional teams to deliver cohesive, user-centered features.
- Prioritized performance optimization and WCAG accessibility standards to enhance usability and inclusivity.
- Led front-end initiatives, mentored junior developers, and maintained high code quality through code reviews and testing.
- Played a key role in ensuring scalability and maintainability across the codebase.

Front-End Developer

Plus8Soft

September 2024 - February 2025 (Part-time, Remote)

- Built and maintained a scalable web application using Next.js, Redux Toolkit, and Tailwind CSS for a healthcare platform that allows users to book doctor appointments, consult via video calls, and manage their medical interactions online.
- Translated detailed UI/UX designs into responsive, accessible interfaces optimized for both desktop and mobile.
- Handled complex state management and implemented performance enhancements to ensure a fast, reliable user experience.
- Reviewed code, mentored junior developers, and helped maintain high standards of code quality and scalability.
- Worked closely with designers, back-end developers, and product managers to deliver a clean, user-friendly platform tailored to patient needs.

Front-End Developer

AyoTech

October 2021 - November 2022

- Designed and developed intuitive and high-performing online stores using HTML5, CSS3, and JavaScript libraries.
- Implemented essential e-commerce functionalities, including product listings, shopping carts, and secure checkouts.
- Enhanced UI/UX to optimize the customer journey and drive conversions effectively.
- Collaborated closely with design teams to translate mockups into meticulously crafted web interfaces.
- Ensured seamless responsiveness across various devices, maintaining a flawless user experience.
- Adhered to SEO best practices to enhance the organic visibility of online stores.
- Conducted rigorous cross-browser testing to ensure consistent functionality across platforms.

Front-End Developer Intern

AyoTech

June 2021 - October 2021
